

## Private Lessons

Thank you for your interest in Private Swim Lessons at Orchard Hills Athletic Club. Private Swim Lessons are an excellent way to enhance current skills or to give those with fears, special attention to develop skills more quickly. We offer private Swim Lessons with our certified experienced instructor's weekdays and weekends.

Please see fees below to help guide you. Please note we do not set you up with other students for Semi-privates. Semi-Privates are for those who have siblings that come together or a neighbor/friend. Semi-Private Students must be of similar swimming ability.

We always recommend at least 4 - 6 lessons to see good progress. Members can pay on a weekly basis. Non-Members must prepay for a minimum of 3 lessons. We require 24 hour notice of cancellation or you will be charged for the lesson (unless a sudden onset illness).

To begin the process of setting up your private lessons we need you to email Sandy Sauta at [ssauta@ohaclub.com](mailto:ssauta@ohaclub.com) with the following details:

Your Child (rens) full name(s), age, and a brief description of their swimming ability. Also include some day choices and times preferred and if an instructor is available at those times we will set them up for you immediately. *(If you are looking for a specific instructor please include that information in your email)*

Please include your full name and phone number in the email so we can contact you for additional information if needed. If you have any additional questions, please let me know and I will answer them promptly. We look forward to assisting you or your child in becoming a confident and strong swimmer!
