

Dear Orchard Hills Summer Camp Parents, Guardians, and Campers,

We are thrilled to be hosting our 33rd year of Summer Camp at Orchard Hills...with some changes.

Based on the Massachusetts Reopening Plan put in place by Governor Baker, we will have to open a little later than we had previously planned. Since our Summer Camp is associated with a fitness center, we will be unable to open until Phase Three. At this point in time, Phase Three would begin on June 29th. This would allow us to run weeks 3 through 11 (June 29th-August 28th). If you are registered for Week 1 and/or 2, and have not been contacted, please reach out to us to switch your week, or receive a refund.

We want to assure you that we are doing everything in our power to have a summer camp season. We are an accredited summer camp and have always followed the guidelines given to us by the state and local board of health.

Registration is open! All registrations must be done by phone and/or email (online registration no longer available) with the Camp Administrator, Amelia Fountain, at 978-537-8387 ext. 501 or camp@ohaclub.com. **Space will be limited, so don't wait!**

All registrations going forward (exception of previous registrations) will be full-week only and require a non-refundable \$25 per child per week deposit. Attached, please find the updated rates. We have decided to make this change for the health and safety of all campers and staff as recommended by the CDC and Board of Health. Consistency is key when creating a "new normal."

There is no doubt that Summer Camp will look a little different this year, but we will have a blast, nonetheless. We cannot wait to see the children and bring some fun, socialization, and routine into their lives! Almost all of our experienced, 2019 Camp Staff is returning and are excited to make lots of new memories.

Warm Regards,

Orchard Hills Summer Camp Staff 2020

How will Camp be Different this Year Due to Covid-19?

Precautions and Protocols

1. All campers must register for full week in order for us to provide the most safe, consistent environment for all. We will have capacity limits.
2. All children will be placed in a small group of 10 or less with two staff. They will remain in that group for the week and rotate areas with other groups. All equipment, area, etc. will be cleaned in between group usage.
3. Check in and out process will have social distancing spacing in place. Parents will not be allowed past the check in the area to limit contact with other campers and equipment. One parent will be allowed to enter the check in/out area for ease of social distancing.
4. Staff will be wearing masks or face shields at all times, except for in the pool.
5. Children will be assigned the same backpack hook and other items (such as a bubble for swim) for the week. They will use the same table for various activities (lunch, crafts, etc.)
6. Children will not be able to share goggles. Normally we have a huge bin for them to use at camp. They must bring their own pair to camp daily, labeled with their full name.
7. Staff will be (and always have been) vigilant about cleaning.
8. Staff will wear gloves when assisting children with things such as filling their water bottle, craft projects, etc.
9. Staff will not be allowed to apply sunscreen (lotion) and children are not allowed to share face sticks. We can spray the children, but cannot assist them with rubbing it in. We will have large mirrors and carefully watch children as they apply their own sunscreen. You must provide a can of SPRAY sunscreen and a face stick for the week.
10. Parents will wait in the lobby of OHAC for late drop-off and early pick-up. Staff will come in to get the camper or bring the camper in for dismissal.
11. Groups will intermingle at times as long as social distancing can be achieved between groups.
12. Field trips have been prohibited by the CDC. Fun America trips will not be a part of our summer this year. We will be planning some exciting “in-house” experience days.
13. If your camper should fall ill staff will wear a mask and gloves. The camper will also have a mask provided and will be isolated in a separate area away from other campers. Parent will be contacted for immediate dismissal.

Deposit and Refund Policies

We require a deposit of \$25 per child per week of registration. This deposit is NON-REFUNDABLE and NON-TRANSFERABLE. You may cancel your registration 2 weeks prior to the date of attendance for a refund, minus the \$25 deposit. If you need to cancel within 2 weeks of the date of attendance, you may receive a credit for the amount paid, minus the \$25 deposit. This credit may be used toward summer camp or vacation programs at a later date. Registrations must be completed (ALL forms and payment) by Friday at 6 pm of the week prior to attendance. These policies have been put in place for the safety of your child(ren). Staffing must be coordinated in advance in order to meet state regulations. We appreciate your cooperation and understanding.
