

Meet our 2019 Camp Staff

Sandy

Camp Director

I have worked at Orchard Hills for 13 years as the aquatics and children's program director. I am a former special education, and preschool/Kindergarten teacher. My passion is teaching swimming and encouraging kids to love the water and be safe. I use my background of teaching and love for children to provide a safe, fun-filled, active camp program. Summer is an exciting time here at Orchard Hills and I can't wait for another one to begin!

Angie

I have been working at OHAC for 13 years. Organizing is my forte. Therefore, I love doing the camp administration and organizing the camp programs. I have been with the camp team for 6 years now and I enjoy meeting and working with our families here! I have one teenage daughter who is in college and also works part time at the kids club. In my free time, I like to travel and see the world.

I am an education major at Fitchburg State University and in my free time I love to run!

There's always something funny coming out of their mouths!

I absolutely love working with kids and currently work at Ohills Kids club & school vacation camps. I have previously worked in a day care center and was a Nanny for 2 summers. I also just completed a 3 month internship working as a teacher's assistant in a Pre-School classroom. I cannot wait for this summer to start!

Glenn

I have been working at our summer camp since it was started 31 years ago! I am now greeted by campers whose parents were campers with me when we started. It is so awesome to see the generations grow through our summer program! I am the smiling face that greets the children every morning and I also teach tennis. I recently retired as a lifelong, devoted special education teacher. I cannot wait for summer camp to begin...It's my favorite time of year!
