

# Welcome Campers and Parents/Guardians!

*We hope that you are as **excited** as we are for Summer Camp 2019!*

*Here are a few things to note to make each day run smoothly for you and your child.*

-  Camp Entrance is located past the main entrance drive, straight up the road to the gate. Please be advised that for safety purposes, the camp gate will be locked between the hours of 9:15 am and 3:45 pm. If you arrive late, you are required to walk your camper through the building and up to camp to sign in. If you need to pick up early, you will also need to walk through the building and up to camp to sign out and pick up your camper. No exceptions. Camp begins promptly at 8:00 am and ends at 4:00 pm. (Early drop off begins at 7:30 am and after care goes until 6:00 pm – you must pre-register for those)
-  In case of inclement weather a large sign is posted at entrance of Orchard Hills that says “Campers inside”. On those occasions, Drop off will be at side door to the left of main entrance (marked Birthday Parties & Vacation programs) & pick up will be at that same door.
-  Swim Lesson Protocol – Swimming is a big part of our daily program. Children need to be safe around the water and therefore Swim Lessons are **mandatory** for all “Adventure” (8 & under) children. Please use Orchard Hills camp tote we give you for child’s swimsuit and towel. It is easier to use when we change, and to put wet items in at end of day.  
\*For those who are “Renegades” (9 & older) if they pass a safety swim test (Orchard Hills level 3), they do not have to do swim lessons, however Renegade parents may want their children to do lessons anyways. If you do, please let us know.
-  Please make sure your child comes with the following each day; **swimsuit, towel, sandals or crocs, sneakers, extra set of underwear and clothes** (for young campers) **long pants** (to play in woods), **sunscreen** (spray preferred), **bug spray** and **lunch**. Hats are also preferred for those who are sensitive to the sun. Please send items in a backpack. Please make sure EVERYTHING is labeled with their name.
-  Please pack your camper’s lunch in a lunch box with an ice pack. Please no paper bags, little critters can get into their lunch! There is no fridge available for camper lunches. We prefer cold lunches for everyone to eat promptly, but we do have a microwave if a camper wishes to heat up a lunch. (Please also send 2 snacks & a drink (if desired)). Water is always available here at camp. Please send a water bottle with child’s name on it. We offer peanut free tables for those with nut allergies.
-  Juniper Farms ice cream truck stops by camp every Friday afternoon! Campers can purchase their own ice cream. The typical ice cream runs between \$2.50 and \$4. If you do not want your camper to buy ice cream (due to allergies/any other reason) please tell a counselor at check in.
-  For any camper with a prescription medication, epi pen, etc. please send the medication in original container clearly labeled with the camper’s full name. Please let us know if you want it returned daily or if you will leave it here for the week.

Any questions, please speak to your camp directors - Sandy or Amelia, or our Camp Administrator, Angie. *Thank you!* Camp Staff 2019
