

Week Six Wrap up!

If You love Bugs, Insects and Nature this was the time in the woods where worms, ants and all kinds of berries! We also spent time climbing in the trees, enjoying all the fun that our woods has to offer! We painted clay pots and learned how to plant flowers. Our special event of the week was phenomenal! Author, teacher and member Kate Narita came to visit and read her book **100 Bugs** and had the children participate in activities including a "Bug Scavenger hunt!"

where kinds of cargo that our made

week for you! We we found frogs, interesting plants, time building net, riding the zip outdoor rain sticks, "dirt

spent most of our spiders, snails, flowers and forts, climbing line and just adventure area cups" to eat,

Next Weeks Theme – "Nothing like the Holidays!"
