

Week Three Wrap up!

It was a week of celebrating **Stars and Stripes** with our **4th of July activities**! We had a parade and made banners, star flags and instruments to celebrate the USA! Our members enjoyed our sounds and tributes as we marched around the club and pool! We also made straw rocket launchers, and patriotic play dough. We made patriotic pretzel treats and ate star shaped cookies. What's more fun on hot summer July days then swimming and have squirt gun fights - we did both! The Renegades had a contest to design a "camp flag" and the winner was Daniella Serra with her rainbow, sunshine, friend design. We hope to make it into a real flag to hang at camp in the near future. **Congratulations Daniella** on your amazing artwork! There were so many great choices & we are hoping to make a booklet out of them!

Next Week's Theme:

MISSION IMPOSSIBLE!

(Bring clothes for the woods!)
