

# Week Seven Wrap up!

**Holiday Week** – the most anticipated and fun week for many! We started out the week with an Easter/Spring Celebration with an Egg Hunt and “Eggstra” special games! We proceeded the next day to find the lucky coins in the woods as we searched for our Camp Leprechaun on our St Patrick’s Day journey. Onto Summer and a great day of “Boot Camp Jumping” (inflatable) Archery target (inflatable game) and many water activities for the day. It started getting “chilly” and the holidays continued with a Winter/Christmas – we made paper chains and ornaments, had a snowman mummy wrap contest, a Santa’s village sandcastle building contest, holiday music and a gift swap. It was so fun to see the excitement on their faces as they opened gifts! They were able to swap with others until they all got something they really wanted. Friday was the most fun as the children came in costumes or dressed up with the many costumes we have! We “cheeseballed” the counselors, made popcorn snacks in a “glove” complete with jelly bean “fingernails” and had Halloween party with pizza and ice cream! Amidst all our fun daily activities we continue to practice our swimming, tennis, archery and fitness skills. We are so proud of how they are getting better and stronger everyday!!

**Next Weeks Theme: Behind the Scenes!**
